VII. Supplemental Plan Provisions

The following are the Supplemental Plan Provisions:

1. Unless the plan is a full pay plan, all of the debtor's projected disposable income to be received in the three-year period for under median income Debtors or five years for over median income Debtors beginning on the date that the first payment is due under the plan will be applied to make payments under the plan.
2. If any secured proof of claim is filed for a debt that was either not listed or listed as unsecured, the claim shall be allowed as secured unless it is objected to. Said claim shall be paid under the plan at 6% interest. Likewise, if any priority proof of claim is filed for a debt that was either not listed or listed as unsecured, the claim shall be allowed as priority unless it is objected to. Said priority claim shall not be paid with any interest.
3. If a creditor is listed as secured and scheduled to receive pre-confirmation disbursements and post-confirmation payments along with the other secured creditors, but such creditor subsequently files an unsecured claim, then the creditor will not receive any pre-confirmation disbursements and upon confirmation will be paid along with the other unsecured creditors pursuant to the terms of the plan. The funds that were allocated to such creditor as a pre-confirmation disbursement, if any, will be distributed on a pro-rata basis to the other secured creditors. Similarly, the funds scheduled to be received by such creditor along with other secured creditors upon confirmation will also be distributed to the other secured creditors on a pro-rata basis.
4. The Debtor shall pay into the Plan for the payment of creditors a full payment within 30 days of filing this Plan or petition and each subsequent payment on the same day of each month thereafter for the duration of the Plan.
5. SHELTER: Any unscheduled arrearage claim on the Debtor's Mortgage, including any Bankruptcy fees, shall be paid under the plan.
6. TAX CLAIMS: Notwithstanding paragraph 2, any unscheduled secured claim filed by any taxing authority shall be paid under the plan with the interest rate specified on the face of the claim.
7. EARLY COMPLETION: Under median income debtors that have been under the plan for at least 36 months shall receive a discharge at any time once the plan base is paid off.
8. VALUATION OF COLLATERAL: CREDITORS SHALL TAKE NOTICE THAT A VALUE DETERMINATION OF THE CREDITOR'S COLLATERAL SHALL BE MADE AT THE CONFIRMATION HEARING. NOTICE OF RES JUDICATA EFFECT OF THE CONFIRMATION ORDER. The value of collateral as provided for in the debtor(s) schedules and plan shall be the value determination made by the Court by confirmation of the plan, unless a timely objection to confirmation is filed by the creditor. The objection must specifically object to the proposed valuation and request a hearing thereon. Any objection to valuation will be heard at the confirmation hearing, and no plan will be confirmed until the valuation objection is resolved. The confirmation order shall result in res judicata of all valuation issues. Should the creditor file a proof of claim which asserts a collateral valuation that differs from the debtor(s) valuation, but fails to object to the confirmation of debtor(s) plan, such creditor's valuation shall be void as set out in this paragraph.

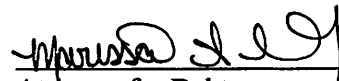

9. SURRENDER COLLATERAL: In the event any collateral securing a claim is subsequently surrendered, either before or after confirmation, the creditor will then have 120 days from the date of surrender to amend their claim for any unsecured deficiency amount, if any. In the event that the creditor does not amend their claim, it is assumed that the claim has been satisfied in full by the surrender, and the trustee shall not disburse any further payment to such creditor and any deficiency shall be discharged upon completion of the case.

10. Duly filed and allowed unsecured claims shall receive a pro-rata distribution after payment of all Priority, Secured and administrative expenses. If unsecured claims will not be paid in full, neither payments nor duration of the Plan will be increased merely because the Plan projected a higher percentage payout based upon information available to the Debtor at the time the Plan was filed. The percentage payout to general unsecured creditors is just an estimate and the actual payout may differ based on claims actually filed. Any balance remaining on dischargeable unsecured claims after the payments provided for herein, shall be discharged.

11. Creditors holding claims against the Debtor's real estate which are being treated pursuant to 11 U.S.C. 1322(b)(5) may send monthly billing statements to the Debtor, but may not seek payment directly from the Debtor for any pre-petition claim.

12. In the event the automatic stay is lifted at any time during the case, the creditor that was granted relief from the automatic stay will have 90 days from the date the stay is lifted to amend their claim for the deficiency amount, if any. In the event the creditor does not amend their claim, the claim shall be deemed to have been satisfied by the foreclosure, and the trustee will not disburse any further payments.

Respectfully submitted this 10 day of October, 2016.
